Forum for the Arts - Agenda 2003 "Art with a Voice"

Spanish Cultural Center

This Forum aimed to open a space for artists and intellectuals to exchange their ideas on cultural and self management, education in the arts, the role of artists in society and cultural policies of contending political parties. Funded by the Spanish Cultural Center in El Salvador.

**President, 1997-1999**

Advisory Commission, Project "Women, Culture and Development"

"María Escalón de Núñez" Foundation, United Nations Program for Development and the National Council for the Arts.

An initiative of a group of women artists, myself included, in which we sought to investigate work conditions for women artists and to make visible their artistic contributions. Part of this project was a Forum to discuss the results of the investigation and proposals to form an association of women artists. Financed by the United Nations Program for Development and the Dutch Government.

Among key activities coordinated are an investigation on the work conditions of women artists in El Salvador and the creation of a directory of women artists, a Forum and workshop on the creation of a women's artists association, and a Festival of Women in the Arts with more than 100 artistic presentations and workshops by and about women artists.
